BOOK SYNOPSIS

Reading passages develop the critical-thinking skills of comprehension, application, analysis, and synthesis. Announcing the companion workbook series to the GED test series Practice makes perfect with McGraw-Hills updated GED Workbook series, which reflects the 2002 test guidelines. These workbooks provide invaluable hands-on experience for students as they tackle hundreds of GED format questions and check results against an answer key. Simulated test-taking situations boost not only content retention but also confidence for the big day. Ideal study guides for a student weak in a particular subject area or sitting for one GED test at a time, these activity books function as a companion to McGraw-Hills GED Test titles and McGraw-Hills GED.
