## **BOOK SYNOPSIS**

The best cases, the best questions, the best review for the General Surgery boards and ABSITE General Surgery Examination and Board Review is the perfect way to prepare for General Surgery certification exams. Covering the full range of exam topics, this high-yield review features an effective case-based approach that sharpens clinical decision-making skills and gives the content real-world relevancy. Each of the more than 100 chapters opens with a clinical case and is followed by Q&A related to that particular case. You also get detailed evidenced-based answer explanations and references to facilitate more in-depth study. Features:

- Topics mirror the exam blueprint to ensure you are studying the most relevant material possible
- Enables you to incorporate the proven benefits of case-based review into general surgery board review
- An essential resource for general surgery residents as well as practicing surgeons preparing for recertification - and invaluable for ABSITE review
- More than 700 questions - all with detailed answer explanations
- Includes chapters on timely topics such as ethical/legal issue, robotic-assisted surgery, end of life care, and surgical nutrition
- Coverage reflects the very latest clinical advances so you can incorporate this information into your exam preparation or daily practice
