BOOK SYNOPSIS

Like wine lovers who dream of traveling to Bordeaux or beer enthusiasts with visions of the breweries of Belgium, bourbon lovers plan their pilgrimages to Kentucky's bourbon country. And what a country it is! Some of the most famous distilleries are tucked away in the scenic Bluegrass region stretching between Louisville, Bardstown, and Lexington. Locals and tourists alike seek out the world's finest whiskeys in Kentucky as interest in America's only native spirit continues to grow. In *Kentucky Bourbon Country*, Susan Reigler offers essential information and practical advice to anyone considering a trip to the state's distilleries or to the restaurants and bars on the Urban Bourbon Trail. Featuring 200 full-color photographs and a bourbon glossary, the book is organized by region and provides valuable details about the Bluegrass -- including attractions near each distillery and notes on restaurants, lodging, shopping, and seasonal events in Kentucky's beautiful historic towns. In addition to providing knowledge about each point of interest, *Kentucky Bourbon Country* weaves in little-known facts about the region's best-kept secrets, such as the historic distillery used as a set in the movie *Stripes* and the fates of used bourbon barrels. Whether you're interested in visiting the place where your favorite bourbon is made or hoping to discover exciting new varieties, this handy and practical guide is the key to enjoying the best of bourbon.
